## **ROAD MAINTENANCE BEGINS FRIDAY**

(KILLEEN, TEXAS): Crews will perform preventive maintenance on Roy Reynolds Drive, from 2410 to Veterans Memorial Boulevard, and Crockett Drive, from Greenwood Avenue to Rancier Avenue, Friday, Monday and Tuesday. Work will take place from 8 a.m. to 5 p.m. daily.

Each year, streets are identified to be slurry sealed, a process that extends the life of streets and provides a smoother riding surface. Slurry sealing involves the entire street surface, curb to curb, so cars in affected areas must not park in the roadway. Vehicles may use the roadway once the barriers are removed.

Traffic will be routed around the work zones during these times. Motorists should plan alternate routes.
